The Slovenian Canadian Club of Calgary had a very busy and eventful year. We would like to take this opportunity to thank all the volunteers for helping the Slovenian Canadian Club throughout the year.

Special thanks go to the people who have:

1. brought baking in for different events
2. worked the casino on February 10th and 11th

If the assembly agrees, the executive committee would be willing to continue, however we need more people willing to join us in order to better serve the members. Fresh ideas and positive helpful hands are always welcome.

It is that time again to renew and pay for our memberships.
See you at the meeting.
